## ACCESSIBLE NEW ZEALAND

# Getting here is easy

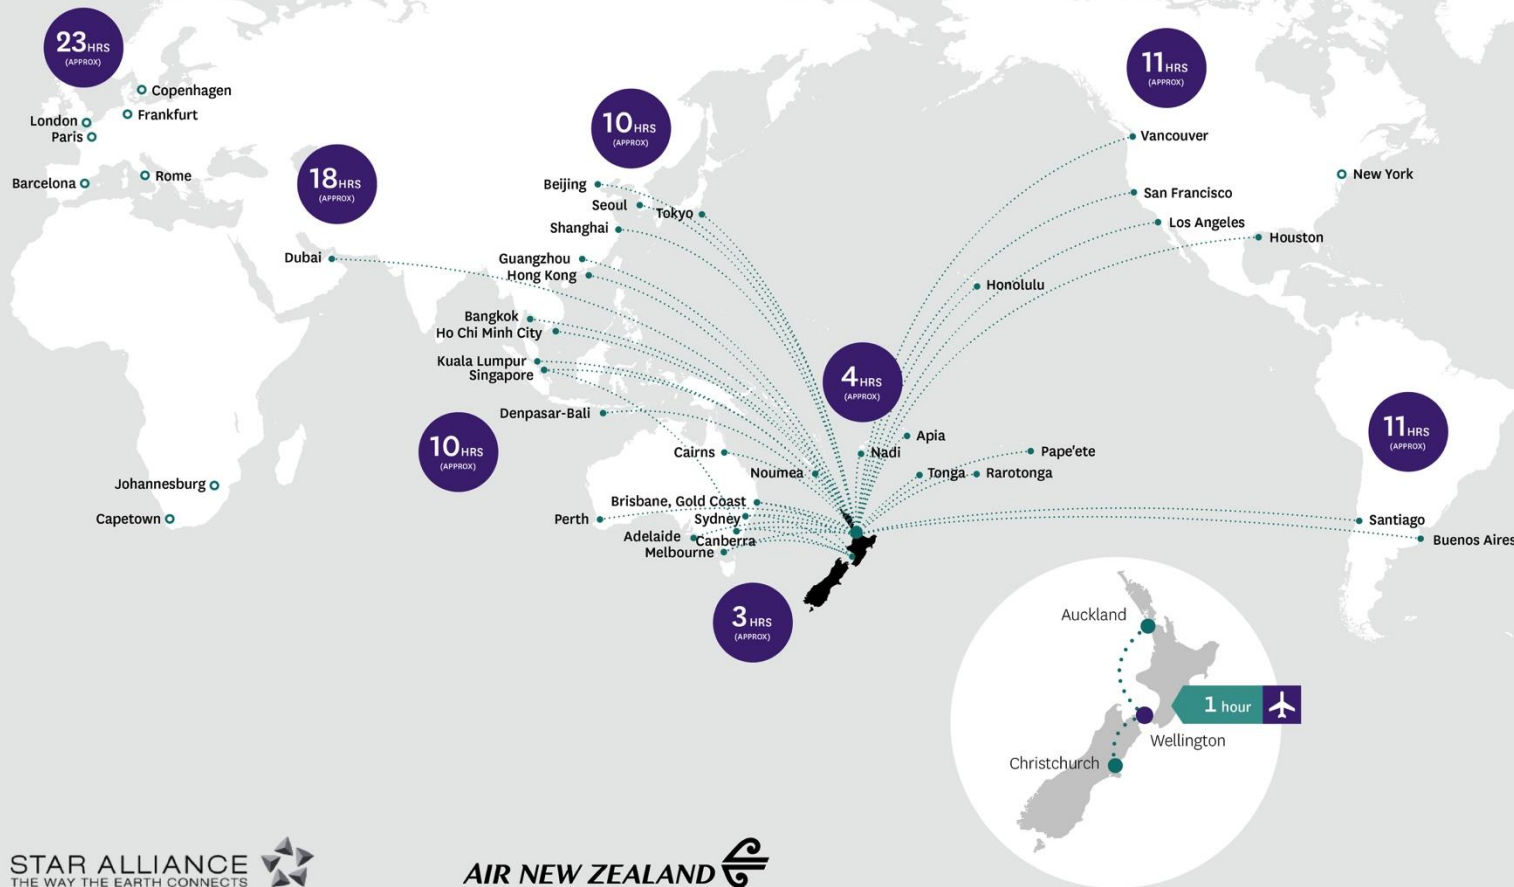

### Travelling to New Zealand is easy to attend a conference

New Zealand is approximately a 10 hour direct flight from most places in the Pacific Rim, including Singapore, Hong Kong, Tokyo, the west coast of the USA and it is only a 3 hour flight for neighbouring pacific islands and the eastern seaboard of Australia.

Options to fly direct to Auckland (New Zealand's main international airport) or directly to Wellington with a new Singapore Airlines connection via Canberra. Numerous daily flights connect Auckland and Wellington with a 1 hour flight time.

## Star Alliance Meetings Plus

Meetings Plus from Star Alliance provides an uncomplicated travel solution for small-medium events and meetings. Delegates deal directly with a nominated travel agent to gain discounted fares, this ensures that they receive the best airfare deal when attending your conference, wherever in the world they may be.
